Date 13th July 1942.

To

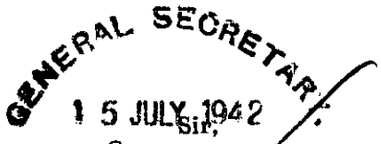
General Secretary to Government of Mysore,
B A N G A L O R E.



Sir,

Subject: Water supply for M.T.vehicles washing - claim for -

In continuation of my letter of even No. dated 23rd December 1941 on the above subject, I have the honour to invite kind reference to my letter of even No. dated 5th December 1942, and to state that no amount need be claimed from the Military authorities for using Hebbal Tank water for washing purposes. Compensation at the rate of one rupee per day has to be paid to the Inamdar of Mattikere for using Mattikere tank water. The Military authorities have been using water of Mattikere tank since January 1942. The compensation due to the Inamdar up to the end of June 1942 comes to Rs.181/-

2. The Garrison Engineer at Jalahalli to whom a reference was made in the matter by the Civil Officer has replied that the claim does not pertain to his division. The proposal was started at the instance of Head quarters, Madras District who have now moved on to Wellington.

3. In the circumstances I request that the Residency may kindly be addressed for arranging early settlement of the Inamdar's claim.

4. A copy of Civil Officer's report No.B1-28/42-43 dated 8th July 1942 is enclosed for favour of reference.

I have the honor to be,
Sir,
Your most obedient servant,

DEPUTY COMMISSIONER,

Copy of the letter No.B1-23/42-43 dated 8th July 1942 from the Sub Division Officer and Civil Officer, Bangalore Division, Bangalore to the Deputy Commissioner, Bangalore District, Bangalore.

Subject: Water supply for M.T. vehicles washing.

Adverting to my letter No.B.1-943/41-42 dated 8-12-1941, on the above subject, I have the honour to state that it was suggested in that communication that the Military Lorries using Hebbal Tank water for washing purposes need not pay anything, while for water used from the Mattikere Inamdar's tank, compensation at the rate of one rupee per day has to be paid. The Inamdar Mr. Rajagopala Iyengar, having complained in his petition dated 25-6-1942 that the military who are using his Tank water for washing their vehicles since January, 1942, have not paid the stipulated amount, amounting to Rs.151/- up to the end of May, 1942, a reference was made to the Garrison Engineer at Jalahalli for the adjustment of the Joddidarls claims. But, the reference has been received back with an endorsement that it does not pertain to his Division.

I therefore request that a reference may kindly be made to Government to move the Hon'ble the Resident in the matter. The total amount payable to the Inamdar up to the end of June, 1942, comes to Rs.181/-. The original proposal was started at the instance of Head quarters, Madras District, who have moved now to Wellington.

I am sending a copy of this to Bangalore Area Head quarters who have taken the place of the Madras District.
